HISTORY OF MUGGINS:

Muggins by the way is a horse with an interesting history. He is by St. Gobain, an English Derby winner and of the greatest sires ever known.

Muggins, was one of the greatest race horses of her day on the English turf. Since we are told she was 20 years old when she won the St. Leger at Doncaster, England, it is still another Moulin mare that helped the Perseverance, and the leading bidder for the 1906 Kentucky Derby.

Muggins is sold with the rest of the Moulin Rouge horses and was bought by W. H. Hayes of Boston for George J. B. Hayes.

When he left Moulin he purchased the colts with St. Gobain for \$2,000.

These colts, when we are sold at the sales farm in Massachusetts, and the others to take up his line, Mr. Hayes died Mr. Whittier purchased Moulin.

Muglins' most recent purchase, Mr. Whittier, has sold his stable to Mr. Hayes.

He is now in the care of Hartman.

The last two sales were made at the auction of the National Billiards Association by W. F. Mullin and C. H. Macken.
